Subject: VISA Application Mr. Sadi M. Dabboor

The Municipality of Jabalia Al. Nazh confirms that Mr. Sadi M. Dabboor, with passport No. 5279954 works at our Municipality as the head of the Public and International Relations Department, & representative of the Municipality in International Relations, and has previously traveled on behalf of the Municipality to represent it in Europe, Turkey and the Gulf.

In addition, he is the only link between the Municipality of Jabalia and the Municipality of Groningen in the Netherlands, & the translator of our delegation as well.

In reference to the above subject, the municipality was surprised that the visa application for Mr. Dabboor was rejected for financial reasons. Knowing that the municipality spends a sum of money ranging between 3000-5000 dollars to cover transportation and accommodation expenses in Egypt and during return, In addition, he has another bank account (local) that he did not include in his application (Attach).

Thus, we ask you kindly to Re-Study of the visa application and the municipality is committed to disbursing an amount of \$5,000 to Mr. Sadi Dabboor for transportation and residence in Egypt and during the return from Netherland.

Best Regards,

Mayor of Jabalia Municipality
